"Eligible Region" means the geographic area in which an entrant must reside and, if stated in the Competition Summary, be physically located at the time of entry.

"Entry" means an entry submitted in the manner specified in the Competition Summary.

"Winner" means a selected entrant who has satisfied all requirements necessary to be confirmed as a winner under these Rules and the Competition Summary.

1. **Eligibility:** The Competition is free to enter and open only to persons who satisfy the eligibility criteria stated in the Competition Summary, including any residency, location, age, occupation or other requirements. The Competition is void where prohibited by law. Unless the Competition Summary expressly states otherwise, employees, officers and directors of the Competition Sponsor, the Administrator, any prize supplier and their respective affiliates, advertising and promotion agencies and contractors directly involved in the administration of the Competition, and members of their immediate families or persons domiciled with them, are not eligible to enter. The Competition Sponsor may require reasonable proof of eligibility. Eligibility determinations will be made in accordance with these Rules and applicable law.
2. **Agreement to Official Rules:** By participating in the Competition, you agree to be bound by these Rules and by decisions of the Competition Sponsor and Administrator made in accordance with these Rules, subject to any rights that cannot be waived under applicable law. The Competition is subject to all applicable laws.
3. **Competition Period:** The Competition begins and ends on the dates and at the times stated in the Competition Summary (the "Competition Period"). The time-keeping method or device identified in the Competition Summary, or otherwise used by the Competition Sponsor or Administrator to administer the Competition, is the official time-keeping method for the Competition.
4. **How to Enter:** During the Competition Period, follow the entry method stated in the Competition Summary. No purchase or payment is necessary to enter or win. An Entry must include all required information and satisfy the Competition Requirements. Incomplete, illegible, late, damaged, corrupted, misdirected or otherwise non-compliant Entries may be void. The Competition Entities are not responsible for Entries that are lost, delayed, misdirected, damaged, incomplete or not received for reasons beyond their reasonable control.
5. **Terms of Submission:** You may enter only in the manner, and subject to the entry limit, stated in the Competition Summary. Each Entry must be submitted by the individual entrant unless the Competition Summary expressly permits otherwise. Any attempt to obtain Entries in excess of the stated limit by using multiple identities, accounts, devices or other methods may result in disqualification.
6. **Ballot Destruction:** All paper ballots submitted for this Competition will be securely destroyed after all prizes have been awarded.
7. **Your Representations and Warranties:** By entering the Competition, you represent and warrant that:

- (a) The information provided in your Entry is true, accurate, complete and, where applicable, legible;
- (b) You personally submitted the Entry and have complied with the entry limit and entry method stated in the Competition Summary;
- (c) Your Entry complies with these Rules and does not infringe or violate the rights of any third party;
- (d) You have the right to provide the personal information included in your Entry and understand the purposes for which it will be collected, used and disclosed as described in these Rules and the privacy policy identified in the Competition Summary;
- (e) You have not tampered with or interfered with the entry, collection, validation or draw process or used any fraudulent or unauthorized method to enter; and
- (f) You have been given access to the privacy policy identified in the Competition Summary and understand that personal information will be handled in accordance with that policy and applicable privacy law.

8. **Prizes:** The number of Prizes, description of each Prize and approximate retail value of each Prize are stated in the Competition Summary. Each Prize includes only what is expressly described. A Prize must be accepted as awarded and is not transferable or redeemable for cash unless the Competition Summary expressly states otherwise. If a Prize becomes unavailable for reasons beyond the Competition Sponsor's reasonable control, the Competition Sponsor may substitute a prize of equal or greater approximate retail value, subject to applicable law. A Winner is not entitled to any difference between the stated approximate retail value and the actual value of a Prize. The odds of winning depend on the number of eligible Entries received unless another method of determining odds is expressly stated in the Competition Summary. If, as a result of an error in the entry or draw process, more persons claim a Prize than the number available, the Competition Sponsor may conduct a random draw among the eligible claimants or use another fair method permitted by applicable law to award the available Prize(s). Prize distribution will not be unduly delayed.

9. **Winner(s):** The number of potential winners stated in the Competition Summary will be selected using the winner-selection method, at the date, time and place, stated in the Competition Summary. A selected entrant is not a Winner unless and until they have satisfied all requirements in these Rules and the Competition Summary. A selected entrant will be contacted using the contact information provided with the Entry or by the contact method stated in the Competition Summary. If a selected entrant cannot be contacted after the required contact attempts, does not respond or claim the Prize within the required time, or is otherwise ineligible, the Prize may be forfeited and an alternate entrant may be selected using the method stated in the Competition Summary or, if none is stated, by the

same method used for the original selection.

10. **To Redeem Prize:** Receipt of a Prize is contingent upon fulfilling all requirements in these Rules and the Competition Summary. Before being confirmed as a Winner, a selected entrant must correctly answer, without assistance, a time-limited mathematical skill-testing question and satisfy any declaration, release, proof-of-eligibility or other prize-claim requirements stated in the Competition Summary or required by applicable law within the time stated in the Competition Summary. Any required release may require the selected entrant to confirm compliance with these Rules and, to the extent permitted by law, release the Released Parties from claims arising from the acceptance or use of the Prize. If a selected entrant cannot be contacted, answers the mathematical skill-testing question incorrectly, fails to return required documentation or otherwise fails to satisfy these Rules within the required time, the Prize may be forfeited and an alternate entrant may be selected. The Competition Sponsor will arrange delivery, pickup or other fulfillment of the Prize in the manner stated in the Competition Summary or otherwise within a reasonable period of time.
11. **General Conditions:** The Competition Sponsor and Administrator may verify eligibility and compliance with these Rules and may disqualify an entrant who does not comply with them. Duplicate, altered, forged, fraudulent, automated or otherwise unauthorized Entries may be disqualified. In the event of a dispute concerning an Entry, the Competition Sponsor may require reasonable proof that the entrant named in the Entry personally submitted it or otherwise satisfied the applicable entry requirements. Personal information will be handled in accordance with Rule 6, the privacy policy identified in the Competition Summary and applicable privacy law. The Competition Sponsor may cancel, suspend, extend or modify the Competition, or any part of it, where reasonably necessary because of fraud, tampering, administrative or technical error, safety concerns, events beyond its reasonable control or another circumstance that materially affects the proper conduct, fairness or integrity of the Competition, in each case subject to applicable law. Any such action will be taken in a manner intended to preserve the fairness and integrity of the Competition to the extent reasonably practicable.
12. **Liability Provisions:** Participation in the Competition is voluntary. To the fullest extent permitted by applicable law, the Competition Sponsor, the Administrator, any Competition Location, any prize supplier, and their respective affiliates, officers, directors, employees, agents, representatives, contractors and advertising and promotion agencies (collectively, the "Released Parties") are not responsible for lost, stolen, damaged, destroyed, illegible, incomplete, late, misdirected or corrupted Entries; unauthorized access to or tampering with any entry or selection system; errors in collecting, securing, validating or selecting Entries; human, mechanical, electronic, technical or administrative error; or events beyond their reasonable control. Entrants must comply with all applicable safety rules and

directions associated with participating in the Competition.

CAUTION: ANY ATTEMPT TO TAMPER WITH, DAMAGE OR INTERFERE WITH THE LEGITIMATE OPERATION OF THE COMPETITION, INCLUDING ITS ENTRY OR WINNER-SELECTION PROCESS, MAY VIOLATE APPLICABLE LAW AND MAY RESULT IN DISQUALIFICATION.

BY ACCEPTING A PRIZE, AND TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE WINNER RELEASES THE RELEASED PARTIES FROM CLAIMS FOR LOSS, DAMAGE OR INJURY ARISING DIRECTLY FROM THE ACCEPTANCE, POSSESSION OR USE OR MISUSE OF THE PRIZE, EXCEPT FOR CLAIMS ARISING FROM A RELEASED PARTY'S GROSS NEGLIGENCE OR WILFUL MISCONDUCT AND EXCEPT TO THE EXTENT A CLAIM OR REMEDY CANNOT LAWFULLY BE EXCLUDED OR LIMITED. NOTHING IN THESE RULES EXCLUDES OR LIMITS LIABILITY, RIGHTS OR REMEDIES THAT CANNOT BE EXCLUDED OR LIMITED UNDER APPLICABLE LAW.

13. **Choice of Law:** These Rules and the Competition are governed by the laws stated in the Competition Summary and the federal or national laws applicable there, without giving effect to conflict-of-law principles, except to the extent applicable law requires otherwise. Subject to any rights or remedies that cannot lawfully be excluded or limited, any dispute arising from the Competition will be determined by a court of competent jurisdiction. Nothing in these Rules limits any mandatory rights or remedies available to an entrant under applicable law.

14. **Disclaimer:** References to third-party trademarks or products are solely for the purpose of identifying a Prize or another element of the Competition. Unless expressly stated otherwise in the Competition Summary, the manufacturer or owner of any third-party trademark is not a sponsor or administrator of the Competition. Questions concerning the Competition should be directed to the Competition Sponsor or Administrator using the contact information, if any, stated in the Competition Summary.
